ANNOUNCES EXCLUSIVE LICENSING AGREEMENT BETWEEN MERUS LABS INC. AND INNOCOLL PHARMACEUTICALS LIMITED

VANCOUVER, September 21, 2010

CNSX Symbol: MR

Merus Labs International Inc. is pleased to announce that their wholly owned subsidiary, Merus Labs Inc. (“Merus”) announces the execution of a definitive agreement with Innocoll Pharmaceuticals Limited (“Innocoll”) to license in, on an exclusive basis, 3 advanced wound care products for the Canadian market. Furthermore, Innocoll agrees to grant to Merus a right of first refusal for all current pipeline advanced wound care products for the Canadian Market.

The three products are indicated for the management of painful wounds including diabetic ulcers, venous ulcers, pressure ulcers, full and partial thickness wounds, 1st and 2nd degree burns and dehisced surgical wounds.

The worldwide advanced wound care market is estimated to be worth \$5.5bn in 2010. This market is expected to grow by approximately 5.7% to 6% out to 2013.

“We are very pleased to announce this strategic partnership with Innocoll to launch such unique products in Canada. Innocoll is an innovator and world leader in the area of drug delivery and advanced wound care. This partnership with Innocoll will greatly enhance Merus’ pipeline of, ready to launch, innovative products in the Canadian market place, significantly enhancing patient care.” said Ahmad Doroudian, president & CEO of Merus.
